

Want to find out more about your creative career? Start here!

Dabble

WORK TASTERS

DABBBLE®

Build your network and access work tasters in your area.

DABBBLE is a youth-designed platform tackling the challenges of traditional work experience. DABBBLE offers “worktasters” – short, creative opportunities to explore different industries in an accessible, flexible and inspiring way. It connects you to a range of creative organisations in your area.

ERIC

PAID WORK

ERIC

The UK's #1 app for young creatives looking to upskill & get experience.

ERIC is a free career app helping young creatives get experience for their CV & portfolio. Whether it's a workshop, event, course or internship, the ERIC team find every opportunity across all creative fields so that you don't have to.

DIGITAL BADGING

MSB
MY SKILLS BACKPACK

Start your online portfolio

Digital Badges are a simple way to acknowledge the value of your creative skills and experiences, and unlock opportunities to develop your portfolio further.

When you earn badges you can store them in My Skills Backpack to showcase what you've done and help you explain your experience to others.
