

In-Depth Partnership with Towner Eastbourne

Talent Accelerator and Towner (Eastbourne)

An evolving, multi - year partnership between Talent Accelerator and Towner Eastbourne that embeds creative pathways, youth voice and governance change into local cultural and education ecosystem

The In - Depth Partnership explored...

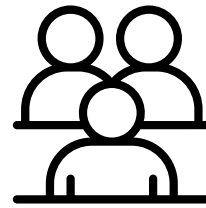

- Creative practice and participation
- Curatorial insight and decision-making
- Event delivery and volunteering
- Governance participation and leadership
- Pathway navigation and career awareness

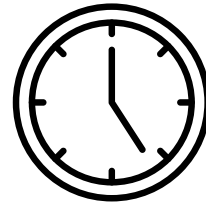

OUTCOMES AND IMPACT

The In-Depth Partnership helped young people in Eastbourne to...

- Improve their access to creative opportunities at key decision points
- Get a youth voice embedded within organisational structures
- Have work placements and volunteering opportunities created
- Get creative pathways strengthened across schools and cultural partners

WAYS TO USE THIS CASE STUDY

You could alter this case study to make it work for you:

- If you are an arts organisation, you can seek to create a long-term relationship with a local school/college to offer consistent visits and work experience
- If you are a school/college, you could approach a local creative/cultural organisation about a long-term partnership for your students
